## 1. Introduction

- 1.1 The College upholds the principles of free education for eligible 16-18 year olds. Students who are 19 years on a full time programme progressing internally will also be offered a free place. Part time adult learners eligible for fee remission are defined as those who are 19 or over at the start of the programme of study on a qualification(s) which are eligible to draw down funding from the Skills Funding Agency. Learners may be fully funded (no fees payable by the learner), or co-funded. Where fees are applicable the College will charge the recommended fee percentage designated by the funding bodies subject to market conditions. Charges for full fee courses will be based on market conditions and must yield a positive contribution. For full time and part time Higher Education learners fees are set in liaison with the relevant university partner.

## 2. General Policy Statement

- 2.1. The Principal can waive fees in special circumstances
- 2.2. EFA funded Courses:
- 2.2.1. All full-time students will be asked to make a voluntary contribution of £20 at the start of their programme of study as a part subsidy for the funding of the student council, enrichment activities and administration costs.
  - 2.2.2. In most courses the resource costs of will be paid by the College, where this is not the case the cost will be clearly stated in course literature. Course resources can be purchased from the College shop (EQUIP) at competitive prices
  - 2.2.3. A charge will be made for enrichment activities and trips and visits on an ad hoc basis
  - 2.2.4. Resit exam fees are paid by the student and subject to a 10% admin fee
  - 2.2.5. A fulltime fee for a fulltime programme is £4,000 per year, based on 450 - 600 taught hours. Part time fees are calculated as follows: 360 - 499 hours = £2,700; 280 - 359 = £2,133
  - 2.2.6. Fees for courses below 279 hours and for non ASFC students to be calculated on a case by case basis
  - 2.2.7. Fees are based on the equivalent funding available from the EFA based on the taught hours

### 2.3. SFA Funded Courses:

- 2.3.1. As a guiding principle, course costs will be determined on consideration of the following factors, a presumed fee assumption from the funding bodies, local and national priorities, contribution target (minimum 25%) and by taking into account the relevant staffing and resource costs.
- 2.3.2. The College will apply the SFA residency rules to establish entitlement for funding. If a learner is not entitled to a funded place the full course costs would apply. Rights to be in the UK and engage in learning will be verified and students will be required to provide relevant home office documentation.
- 2.3.3. Learners enrolling under one of the 'adult entitlements' will receive tuition and examination fee remission for accredited and adult skills budget (SFA) funded courses as per Funding Guidance (FG). See appendix A for adult entitlements/applicable benefits.
- 2.3.4. Full cost recovery courses are run on the basis of a minimum contribution target of 25%. No fee remission can be claimed as it is unfunded provision. Adult full cost recovery courses and relevant fees will be indicated within course publicity.
- 2.3.5. Where a course or project is established by arrangement with a local partner/key stakeholder to meet local or national targets and needs, the fees may vary from the norm or may be waived or alternative funding streams sought. The College will class these courses as 'Special Projects', see appendix A
- 2.3.6. Adult courses may be offered at a comparatively low fee where the College deems it necessary in response to market forces, local economic pressures and demands, to keep in line with other local providers or as a marketing activity, but ultimately must yield a positive contribution.
- 2.3.7. The College may be able to offer financial support towards the costs of travel, childcare and resource costs, subject to external funding. Details of current scheme are shown in appendix B.
- 2.3.8. Current fees for adult courses are published in the Adult Course Guide and up to date fee information can be found on the College website. Fees and charges are subject to change.
- 2.3.9. For adult skills courses learners may withdraw and obtain a full refund less a 5% administration fee if they withdraw within the first two weeks.

### 2.4. HEFCE funded courses:

- 2.4.1. Fee arrangements and issues of eligibility for HE programmes are set and assessed in liaison with the university partner. See appendix C.
- 2.4.2. The College will issue details of financial support available to HE applicants and where to seek further advice, such as the details of the Student Loans Company and university advisory services.
- 2.4.3. Students will be directed as to which institution will seek payments - the College or the University. If a HE student is seeking a tuition fee loan, this will be paid directly to the university or college on the student's behalf.

- 2.4.4. In circumstances where a HE student wishes to withdraw , the following applies:
- 2.4.5. If a student does not commence a programme of study or withdraws or intermits within the first two weeks, including induction week, of the published start date of their award, they will be normally entitled to receive a refund of the whole of the tuition fees paid by them less any deposit paid by them.
- 2.4.6. HE students who withdraw from their programme of study or intermit after the first two weeks, even if they have not taken the opportunity to attend, will normally receive a refund based on the table below:

Date of withdrawal	Fee Liability
Before 19 January 2016	25% of tuition fee
On or after 19 January 2016 and before 7 April 2016	50% of tuition fee
On or after 7 April 2016	100% of tuition fee

- 2.4.7. Continuing students enrolled on Staffordshire University programmes who complete e-enrolment, who subsequently decide not to start the new academic year will be charged 25% of the tuition fee unless they notify the University and the College by 17 September of their decision to withdraw.
- 2.4.8. Guidance on non-payment of fees for post 19 courses is detailed in Appendix D.
- 2.5. International students:
- 2.5.1. Fees are set annually and cover a student's full time tuition but exclude accommodation and living costs, which the student must pay separately and directly to their accommodation. International students are assessed for their suitability to enrol in line with standard admissions criteria with the addition of English language requirements and Visa requirements (as stipulated by the UKBA). See current price list, appendix E.

### 3. Summary of Policy Actions

- 3.1. This policy will be reviewed annually and approved by Corporation.
- 3.2. This policy and fees will be reviewed termly to ensure that they are competitive and account for market conditions.
- 3.3. The list of adult entitlements (appendix A) applicable for fee remission will be monitored and published termly
- 3.4. The procedures for obtaining financial support will be monitored and published termly (appendix B)
- 3.5. Fees policy for 16-19 year olds will be reviewed and published annually.

- 3.6. Adult and HE course fees are published on the College website and in other marketing publications along with regular fee updates as required.

## **Appendix A (v9)**

### **Higher Education and Skills**

#### **Fees, Charges and Adult Entitlements 2015/16 with effect from 1<sup>st</sup> August 2015**

#### **Introduction**

The current fees are published in the Higher Education & Skills Course Guide and on the college website. The website will contain all updated information.\*

\* Learners should contact us for the most up to date information about fees and charges as this is subject to change.

This document outlines a range of 'adult entitlements' currently available.

**'Fully funded'** in relation to a course means:

"The fees charged in respect of the course by the person providing it, and such fees in respect of other matters relating to the course (such as undergoing a preliminary assessment or sitting an examination) as may be specified in regulations made by the Secretary of State." (SFA Adult Skills Budget Funding Requirements 2011/12 version 1.1).

1. **Learners aged 16-18 on 31<sup>st</sup> August 2015 are fully funded.**
2. **Learners aged 19+ on the start date of the course (Entry to level 2 qualifications).**
  - 2a Those who are **unemployed, actively job seeking and taking the course to develop skills to support job seeking**, and in receipt of:
    - Job Seekers Allowance (JSA)

- Employment Support Allowance (ESA) in the Work Related Activity Group (WRAG)
- Universal Credit and required or not required to undertake skills training
- Council Tax Benefit
- Housing Benefit
- Income Support
- Working Tax Credit
- Pension Credit
- Contribution Based ESA (not in the WRAG)

for those learners studying any learning aim up to and including level 2, are fully funded.

Evidence of benefits and a signed declaration form to confirm the learner is unemployed, actively job seeking and taking the course to develop skills to support job seeking is required. JobCentre Plus evidence is required for learners who have been mandated by JobCentre Plus.

2b Unemployed learners who need help to move into work, progress in work, or remove a barrier to getting into work and are in receipt of JSA, ESA (WRAG) or Universal Credit and required to undertake skills training are fully funded for certain stand alone qualifications in Health and Safety at Work, Food Hygiene and First Aid at Work. Evidence of benefits and a signed declaration form to confirm the learner is unemployed, actively job seeking and taking the course to develop skills to support job seeking is required.

2c Learners studying Functional Skills English or Maths without a level 2 Functional Skills qualification in the relevant subject, or GCSE English Language or Maths for learners without an A\*-C grade in the relevant subject are fully funded.

**3. Learners aged 19-23 on the start date of the course (Entry to level 3 qualifications).**

3a Learners aged 19-23 studying and entry level or level 1 course (excluding English, Maths and ESOL), intending to progress to a full level 2 qualification, and do not hold a full level 2 qualification and need a step up from basic skills to progress to a full Level 2 are fully funded.

3b Learners aged 19-23 studying their first full level 2 qualification, equivalent to 5 GCSEs at grade C or above are fully funded.

3c Learners aged 19-23 studying their first full level 3 qualification are fully funded.

3d Those who are **unemployed, actively job seeking and taking the course to develop skills to support job seeking**, and in receipt of:

- Job Seekers Allowance (JSA)

- Employment Support Allowance (ESA) in the Work Related Activity Group (WRAG)
- Universal Credit and required or not required to undertake skills training
- Council Tax Benefit
- Housing Benefit
- Income Support
- Working Tax Credit (income under £15 050)
- Pension Credit
- Contribution Based ESA (not in the WRAG)

for those learners studying any learning aim up to and including level 3, are fully funded.

Evidence of benefits and a signed declaration form to confirm the learner is unemployed, actively job seeking and taking the course to develop skills to support job seeking is required. JobCentre Plus evidence is required for learners who have been mandated by JobCentre Plus.

4. **Learners aged 24+ and enrolling on a level 3 qualification** can apply for a 24+ Advanced Learning Loan from Student Finance England. A Funding and Information letter will need to be completed.
5. Special Projects – there are some programmes as planned during the year aimed at some learners which the college will fully support and will make no charge to the learner.  
Learners must still fit into and follow a category.
6. For all learning in the workplace for employees, tuition fees and exam/registration fees with the awarding body are payable except where a learner fits into categories above.
7. Asylum Seekers and Refugees are eligible for funding subject to the necessary evidence being produced and can fall into the above categories (e.g. if they receive the equivalent of income based benefits).
8. Learners on a low income can apply for financial assistance from the Discretionary Learner Support Fund, 24+ Loans Bursary, Higher Education Hardship Fund and their case will be assessed (see Appendix B).
9. For Higher Education students financial support may be available through Student Finance England – see [www.direct.gov.uk/studentfinance](http://www.direct.gov.uk/studentfinance) for full details or call 0845 300 5090.
10. Tameside has rolled out a new universal credit system from October 2013. This is a means-tested credit for people of working age whatever their employment status and replaces Income Support, Income based JSA, Income related ESA, Housing Benefit, Child Tax Credit, Working Tax Credit. It will be for people making new claims (for the

benefits above) – they will get universal credit instead, existing claimants will be moved onto it from April 2014.

11. For adult skills courses, fees are due at point of enrolment or as agreed at point of enrolment (eg. staged payments). Fees must be paid on agreed dates. Learners who have not paid any fees due within six weeks of agreed dates will be asked to leave the course.
12. For adult skills courses, learners may withdraw and obtain a full refund less a 5% administration fee if they withdraw within the first two weeks.

School Direct Initial Teacher Training – Primary & Secondary	Full-time	1 year	£9000		Staffordshire University

The Adult Education course fees are revised annually in May each year and published in the summer in our Course Guide – University Courses & Adult Education.

For HE courses validated by Staffordshire University, payments will be made to the university or the college by the student loan company on the student's behalf. The university will then pay the College. For HE programmes if a student does not commence a programme of study or withdraws or intermits within the first **two** weeks, including induction week, of the published start date of their award, they will be normally entitled to receive a refund of the whole of the tuition fees paid by them less any deposit paid by them.

HE students who withdraw from their programme of study or intermit after the first **two** weeks, even if they have not taken the opportunity to attend, will normally receive a refund based on the table below:

Date of withdrawal	Fee Liability
Before 19 January 2016	25% of tuition fee
On or after 19 January 2016 and before 7 April 2016	50% of tuition fee
On or after 7 April 2016	100% of tuition fee

It is the student's responsibility to formally notify the University or College of their withdrawal **in writing** at the point at which they leave their course of study. Failure to formally notify the University or the College of their withdrawal will result in their continuing liability for tuition fees until they formally withdraw. Retrospective withdrawals will not be permitted.

Continuing students enrolled on Staffordshire University programmes who complete e-enrolment, who subsequently decide not to start the new academic year will be charged 25% of the tuition fee unless they notify the University by 17 September of their decision to withdraw.

All learners will receive Student Finance England information in the application packs for all the programmes.

On occasions the College offers Level 4/5 courses which sit outside of HEFCE funding and are not eligible for financial support from the student loan company/SLC. Learners will be made aware of this when it applies.

Students must complete fully, each year's work before progression. Consideration will be given to progression with outstanding work subject to approval from tutors and awarding institutions. In circumstances where progression is agreed to, any additional fees incurred such as late registration fees must be covered by the individual at an additional cost over and above their course fee.

## Appendix D

### Non-payment of fees for post 19 courses

#### Students paying their own fees

Fees are due at the point of enrolment when students sign the enrolment form and learning agreement unless they are applying for a student loan.

In instances where the course fee is over £1000 (and students are not applying for a loan), it is possible to make arrangements for payment by instalments providing the first instalment is paid at enrolment. This agreement must be made at enrolment.

For courses that last an academic year, payment must be completed within the first 5 months of study. For example, for courses commencing in September, payment must be complete by January – with regular payments made each month. For shorter courses, a pro rata adjustment will be made.

This option does not apply to higher education students or level 3 students who are able to take out loans from Student Finance England to cover their fees.

#### Students applying for a 24+ Advanced Learning Loan

Students who opt to apply for a 24+ Advanced Learning Loan must add their Customer Reference Number from the Student Loan Company to the confirmation sheet attached to their Learning and Funding letter, or advise the Senior Admissions Officer of this within one week from the start date of their course, at the latest. If not received by this deadline, the College will invoice them for the cost of their course to be paid in instalments over 5 months. 24+ Advanced Learning Loan students are liable after the first 2 weeks for the full course fee.

#### Students applying for a Higher Education Loan

For academic year 2015/16 Higher Education students are required to submit a copy of their entitlement letter from Student Finance England to the Senior Admissions Officer by the 15<sup>th</sup> November deadline. Students unable to present their letter by this date will automatically be expected to pay their fee in full or by 5 instalments on 30/11, 31/12, 31/1, 28/2, 31/3. The college will make any relevant adjustments/refunds once the student's loan has come through. At all times it is important for students to communicate with the Senior Admissions Officer about their circumstances.

#### Students who have failed to pay

Students who fail to pay for their course in a timely manner or make payments at agreed intervals will be sent a reminder letter (debtor's letter) from the finance department. Please also note that untimely payments can result in students not being entered for exams or forthcoming modules, late exam entry charges or results being withheld for example. For Higher Education students module results will not go forward to Award Boards. Following the reminder letter from the finance department, if the account is not settled by the date indicated, students will be invited to a meeting with the Assistant Principal H.E. Skills & International when actions will be agreed. Students will subsequently be withdrawn from

their programme(s) of study should they not adhere to these actions. They will be notified of this in a letter from the college and the date from which this takes effect.

The college is keen to support students and will make every effort to support students where it is feasible or possible. However, students should give full consideration to whether they can afford the course fees and any related costs of study before they enrol and keep the college informed of any change of circumstances.

#### Financial Hardship Funds

In cases of financial hardship, please see the college policy on "Procedures and guidance for students age 19 plus applying for financial support". However, please note that this does not apply to tuition fees. These sources of support are for students on programme who have paid their tuition fees (or fully funded students) who wish to apply for additional financial support to contribute to costs such as childcare or travel.
