

FIND YOUR WAY TO SUCCESS

Our goal is to motivate our students to be ambitious, set high aspirations for their futures, and cultivate a culture of high expectations. From your first day with us, we prepare you for your future steps beyond college, equipping you with the skills necessary to excel in your chosen field.

We put a lot of emphasis on preparing our students to be university and work ready through initiatives such as our careers and employability programme, comprehensive enrichment offer, bespoke work placement scheme and flagship university preparation programme. Each year our students successfully move on to some of the best universities and sought-after apprenticeships in the UK and beyond. Our students are ambitious and rightly so and we are here to help them achieve those dreams.

High achieving students will have access to The XL Academy which prepares them for prestigious universities and higher apprenticeships. XL students receive specialist advice, dedicated tutor groups, bespoke programs, and participate in enrichment activities. They benefit from admissions test preparation, mock interviews, career and UCAS advice, and exclusive opportunities like Oxford & Cambridge summer schools, Villiers Park residential courses and conferences. The XL Academy helps students excel academically and personally, fostering success at top institutions and in competitive fields.

In 2024, XL students gained the most number of Oxbridge University Offers in the borough.

“ Since attending Ashton Sixth Form College I have not only grown as a person, but I have excelled academically in my chosen course. From day one I had amazing support from my Tutors, Teachers, and Inclusive learning. This has allowed me to access the highest grades possible to progress in my adult life.

MADDIE, FORMER STUDENT

FIND YOUR COMMUNITY

In addition to the academic and enrichment expertise on offer, Ashton Sixth Form College values the wider support network the college community can provide. This includes a dedicated Senior Tutor to be your first point of contact for any help you may need, college councillors, a college chaplain, an inclusive learning team and a range of student services. Whatever your need to help you succeed, we have someone here to support you.

IT'S TIME TO...

FIND WHO YOU WANT TO BE!

When you come to Ashton Sixth Form College, your experience is much more than your chosen course. We invest in developing the whole you, ensuring that you leave us with new experiences, skills, and knowledge that will make you stand out and give you the best possible chance of future success. Ashton Sixth Form College is a space where you can truly be yourself, find yourself, and grow alongside like-minded individuals who will support you on your journey and help you flourish. Whatever your passions, dreams or challenges, there's a place here for you.

Provider

WELCOME TO ASHTON SIXTH FORM COLLEGE

As Centre Principal, I'm thrilled you're considering joining our thriving community. Here, our focus is on you - nurturing your talents and passions while creating a supportive environment where you feel valued and safe.

Our dedicated staff are committed to your success, helping you achieve outstanding results and progress to top universities or competitive career opportunities. Beyond academics, we offer a wide range of enrichment activities, from additional courses and visiting speakers to trips and leadership opportunities.

At Ashton Sixth Form College, you'll not only excel academically but also grow personally, gaining skills and confidence for your future. Find your place with us, and let's embark on this exciting journey together!

Lisa Richards
Centre Principal

Ashton Sixth Form showed me that if you believe it, you can achieve it! That is something that will stick with me for a lifetime.

CHARLOTTE,
FORMER STUDENT

IT'S TIME TO... FIND YOUR TRIBE!

Join us at Ashton Sixth Form College, where you will become part of a vibrant, inclusive community that celebrates diversity and fosters mutual respect. Here, you will make lasting friendships, create cherished memories, and **#FindYourTribe!**

Your future starts here, and we are excited to help you realise and achieve your dreams, as well as gain the confidence and skills needed to excel in whatever path you choose.

Our state-of-the-art facilities and dedicated staff provide an inspiring learning environment where you can thrive. From modern science labs to creative arts studios, our campus is designed to support a wide range of interests and ambitions.

Beyond the classroom, we offer an array of extracurricular activities, including sports teams, clubs, and societies, that allow you to explore your passions and develop new talents. Here, you will be surrounded by supportive and dedicated staff and likeminded peers to help you reach your full potential. Our enrichment programs and leadership opportunities further enhance your personal development, preparing you for the challenges and opportunities of the future.

Managers, teachers and staff provide students with highly effective and impartial careers information, advice and guidance before and during their programmes.
