

You have selected to study Public Services because you want to join one of the Uniformed Public Services whether it is the Armed Services (Army, Navy, RAF) or the Emergency Services (Police, Fire, Ambulance). As part of your first unit you will focus upon your chosen service and your chosen job role.

In your first session, you must hand the in the following completed table.

Chosen service Which uniformed service do you wish to join?	
Entry Requirements What qualifications do you need? What fitness tests do you need to pass?	
Entry Route What process do you need to follow to join? What are the steps you must take?	
Specific role you want to do For example: To be a Combat Medical Technician, not just a soldier.	
Description of that role For example: What does a Combat Medical Technician do?	
Career prospects What does the promotion route look like? What 'perks' can you expect for the job?	
Retirement options What age can you retire and what are the pension options?	
Academic requirements for your specific role What are the minimum GCSEs that you need and what additional qualifications do you need?	
Any other skills that are needed Tell me any other skills and qualities you think are needed (teamwork, compassion, punctuality, etc.)
